Although the French Minister gave pacific assurances and tried to prevent the gunboats' entering, the Comte and the Inconstante crossed the bar and exchanged shots with Paknam forts. The two men of war then proceeded to Bangkok and now are anchored with the gunboat Lutin, opposite the British Legation. ## COURT CHRONICLE.

Decision in the Banning Case Party in Favor of Petitioners.

Judge Cooper has filed a decision on the petition of Mrs. J. F. O. Banning and B. R. Banning, to revoke the order discharging W. F. Allen as administrator of the estate of J. F. O. Banning. He revokes and sets aside the order of discharge on the ground, as stated in the BULLETIN's summary of the petition some weeks ago, that the will required the widow's half to go to the son, at her death, and the administrator's trust was not absolved until that event. On the other ground of petition, its prayer is denied, the Court finding that the settlement with Mr. Banning was not brought about by any undue influence, misrepresentation or fraud on the part of Mr. Allen. Mr. Banning was 25 years of age and of sound mind, therefore is bound by the receipt for his own share, which was to be paid to him at that age. In revoking the discharge of the administrator, the Court orders him to file his accounts for approval within fifteen days. In making his returns the administrator may credit himself with the amount of money and securities covered by the receipt of B. R. Banning on file in this case. A. S. Hartwell and W. A. Kinney for petitioners; F. M. Hatch for the administrator.

Hood's Cures

Scrofula and All Blood Diseases.

"I take great pleasure in giving public testimony to the value of Hood's Sarsaparilla for Scrofula."

I have suffered with this distressing trouble for nearly ten years, and in that time have tried almost every medicine recommended to me without any relief whatever until, after much urging, I gave Hood's Sarsaparilla a trial. It has been of great benefit, and will effect a permanent cure. I say to all people who suffer from Scrofula, try Hood's Sarsaparilla, it will do you good." MISS JENNIE FLAGER, Ohio City, Van Wert County, Ohio.

Scrofulous Catarrh.

"My daughter, eleven years old, has been troubled with scrofulous catarrh ever since she was three years old. Three physicians evoked no permanent relief. In the summer it commenced eating into her nose. We bought Hood's Sarsaparilla and it cured her, for which we are very thankful. We got one box of Hood's Pills and like them very much." MRS. DAVID C. SHIMMEL, Chandeliersville, Ohio.
